SUSTAINABILITY AWARDS

To formally recognize contributions of those helping the campus to meet its sustainability goals, the Chancellor's Advisory Committee on Sustainability (CACs) annually provides awards to faculty, staff, and students that have done outstanding work. The campus community is indebted to the hard work of students, staff, and faculty making Berkeley a more sustainable place to work, live, and play. Nominations can be made for groups or individuals and are open to the entire Cal community.

Awardees will be announced at the annual CACS Sustainability Summit in April. **Deadline for submittal is 5pm on Friday, March 18, 2016 – email completed submittals to sustainability@berkeley.edu** Please send any questions to the same email address.

All nominees must fit within the goals set forth in the Charter of the Chancellor's Advisory Committee on Sustainability. These three goals are:
