

Berkeley Environmental Alumni Network

Organizing Alumni for Sustainability

Mission:

🐾 The Berkeley Environmental Alumni Network (BEAN) engages alumni from the University of California at Berkeley in professional and fun networking opportunities as well as environmental philanthropy and volunteering activities that benefit the University.

www.calbean.org
info@calbean.org

Goals:

- 🐾 Keep alumni informed about campus sustainability efforts
- 🐾 Develop alumni support for sustainability initiatives
- 🐾 Build the network's potential to support sustainability by reaching a larger audience of students and alumni

Projects:

- 🐾 Advocating for a commitment to sustainability within the California Alumni Association and the Lair of the Bear family camp
- 🐾 Fundraising for campus sustainability funds including the Chancellor's Green Campus Fund, The Green Initiative Fund, and Strawberry Creek Fund
- 🐾 Promoting sustainability through student and alumni meetings, career panels, newsletters, and networking events
